In the event that Pricer, in connection with the settlement of any claim of infringement, directs the Customer to terminate the use of the SOFTWARE, or in the event of a final, non-appealed or irrevocable injunction against the Customer's use of the SOFTWARE by reason of infringement, the Customer shall terminate the use of, and return, the SOFTWARE and DOCUMENTATION and Customer's remedies shall be limited to a claim for damages required to be paid by the Customer for the infringement and for a refund of the license fees the Customer has paid for the use of the SOFTWARE less a reasonable charge for the time during which Customer has had possession of the SOFTWARE based on a linear depreciation assuming a useful life of three years. Notwithstanding the foregoing, Pricer shall take no liability for any claim of infringement to the extent that it is based on modification of the SOFTWARE other than that done by Pricer, with or without authorization, or combining the SOFTWARE with other software or hardware not supplied by Pricer. THIS SECTION SETS FORTH PRICER'S ENTIRE LIABILITY AND THE CUSTOMER'S ENTIRE REMEDIES WITH RESPECT TO INTELLECTUAL PROPERTY RIGHT INFRINGEMENTS OF ANY KIND.
